2018 PEAVEY MART TOURS

The Canadian Cowboys Association is proud to once again have Peavey Mart sponsor two qualifying rodeo tours for the 2018 CCA Finals! The winners of each Tour in each of the 7 major events will earn the 11th and 12th qualifying spots to the CCA Finals in Swift Current this October. The ground rules and a list of the rodeos included in the Tours can be found below...

Rules

1. Timed Event contestants must enter and compete in 10 of the rodeos from the tour (East or West) in their event to be eligible for a qualifying spot at the CCA Finals. Rough Stock

competitors must enter and compete at 10 of the rodeos to be eligible for a qualifying spot at the CCA Finals.

2. If the contestant is all-ready qualified within the top ten standings of their event, then the next eligible contestant outside the top ten in the tour standings will be awarded the finals qualification through the tour.
3. A contestant cannot use tour rodeos from the east to count towards the west or rodeos from the western tour to count for the eastern tour.
4. If a contestant happens to be the qualifying contestant from both tours the tour in which

they earned the highest point total in will be the tour they qualify to the finals through. If the contestant earned the same amount of points in each tour then the tour in which they earned the most money in will determine the tour they qualify through (east or west).

5. In the case of a tie for points within the tour standings, the finals qualification will be awarded to the contestant with the highest money earnings in the regular CCA Standings.
6. Points will be awarded from 1st to 8th at each of the tour rodeos regardless of money added or placings paid. The point structure will be as follows:

1st= 80 points, 2nd=70, 3rd=60, 4th= 50, 5th=40, 6th=30, 7th=20, 8th=10

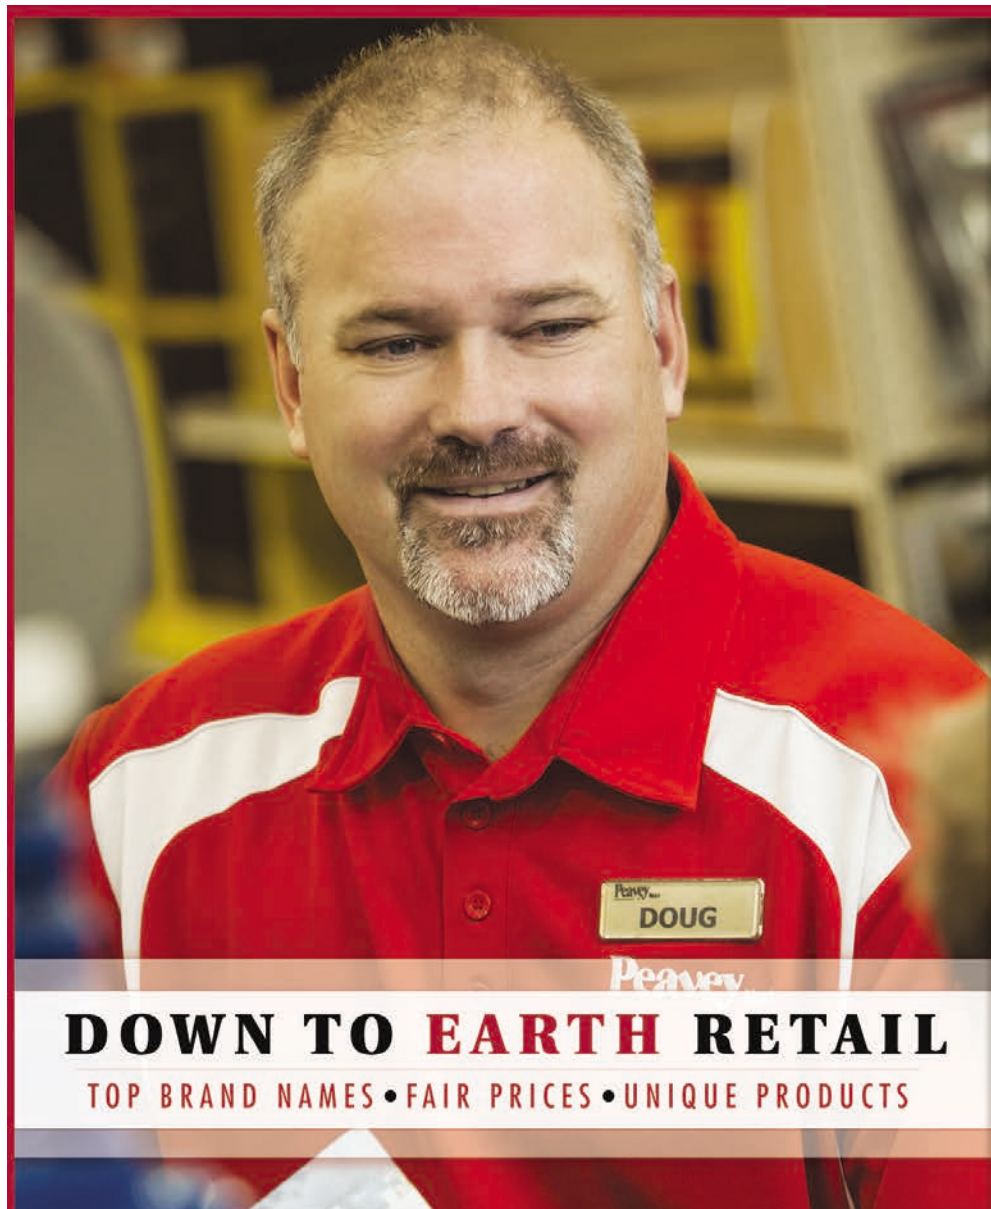

7. Points will only be awarded when there is a placing paid out to a competitor (no ground splits). Placings resulting in a tie at tour rodeos will result in points being divided in the same manner as the payouts for a tie at CCA sanctioned rodeos
8. Team Roping:
 - A. Only the ropers entered on entry day in the Team Roping Event are eligible for points towards the tour standings.
 - B. Ropers that qualify through the tours must rope together at the CCA Finals Rodeo.

Please show your appreciation of our generous CCA sponsors by supporting them throughout the year!

You either get **bitter** or you get **better**.
It's that simple. You either take what has
been dealt to you and allow it to make
you a better person, or you allow it to
tear you down. **The choice** does not
belong to fate, it **belongs to you**.

The Highline Bale Pro® series makes bale handling easier & more profitable. With 5 Bale Pro® models to choose from, there is one suited for your operation.

CFR 1251
Bale Pro®

- blends two bales into a healthy ration,
- provides quality feeding; the new door leaves the most desirable windrow to date of any bale processor,
- tall, narrow windrow with mixed hay, metered grain and chopped have the cows eating rather than walking.

CFR 960
Bale Pro®

- process large square or round bales; the choice is up to you! The flexibility to switch between bale styles is especially useful when the supply does not meet your demand.

CFR 650/651
Bale Pro®

- With Feed Chopper® & Metered Grain Insertion System*
- place processed hay in a windrow in the field or into a bunk,
 - spread straw evenly for reduced bedding costs.

CFR 650
TOP GUN®

- provides uniform coverage as it throws material in excess of 100'*,
- an essential tool for coverage solutions for mine sites, oil well sites & road construction,
- a must have for hoop barns & feedlots.

* contingent on material & wind velocity

SWIFT CURRENT AG & EX YOUTH OF RODEO

Each month promising young participants of rodeo will be recognized. This award is given to a recipient in recognition of their dedication and determination for the sport of rodeo, and those selected will have their profile posted in the CCA Rodeo News newspaper, and, be given a free CCA Junior Membership Card.

Youth of Rodeo allows everyone to celebrate the achievements of the young rodeo participants. Applicants are required to fill out a brief questionnaire. They are then screened for their involvement and passion for rodeo.

Forms are available on our web site www.canadiancowboys.ca

Applicants Name: Brooklyn Shauf

Nickname: Brookie

Age: 10

Parent's Names: Leeann and Darren Shauf

Your Events:
I compete in barrels, poles, and goat tying.

What is your favorite memory or experience so far?:

Winning runner up in the average at Little Spurs Rodeo, I had no idea that I was even close to winning it.

Your Inspiration:

I look up to my older sister Mackenzie because she is helpful and smart. She helps me catch and saddle my horses and also helps me with my school work.

What message would you like to share with city kids who are interested in Rodeo?:

You meet lots of friends in rodeo that love horses the same as you do and always try your best even if you don't win and you have tried your best you are a winner.

Where can we see you compete this season?:

Little Spurs Rodeo if they are still happening, I am going to have my MRCA card and hopefully my CCA card so I can travel with my older sister. We will also be doing barrel jackpots in Saskatchewan, Manitoba, and Alberta.
