

Capturing the stories of Western Canada

Congratulations on making it to the 2026 Canadian Cowboys Association Finals!
Make sure to save this paper!

Digital File Information

The package selected by the association gives you license to use the images for any personal use you would like. You have complete control of the images once you download them.

If you want to save some photos on your phone to use on social media, I recommend downloading the online digital files. The smaller file sizes take up less space on your mobile device and load faster online.

The high-resolution digitals are great for saving on your computer for when you want to print or work on a larger project.

Prints

To optimize the digitals for in the gallery, the files are currently sized for up to an 11"x14" print. If you want to print larger than this, please let me know the filename and the size you will be printing at, and I will resize the photo for you.

Any contestants still finding it easier to order prints, use the code **HIGH50** for a 50% discount on your print order.

Gallery Details

Keep an eye out for updates on the gallery on www.wildwoodimagery.ca/blog

Download Details

The pin you will need to access the downloads is **261022**.

Steps to use the pin:

1. Open a single photo to view in the gallery.
2. Locate the download option, normally found below the photo or in the side menu.
3. Click on download, and you will be asked for the pin.
4. Choose the file size you want to download, and the download should begin.

If it does not seem to be working, please check your device block settings and make sure you are entering the PIN correctly.

Tip: Download multiple at once by saving them to the favorites folder (heart symbol), and then downloading that folder.

I hope you enjoy your photos, and they help you cherish the memories you made at the finals. If you have any special requests, I am only a message away.
If you post them on social media, please tag me @wildwoodimagery.ca I enjoy seeing which photos you all pick.
